Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing one reference to be considered by the Examiner. Reference number 1 is a listing of the claims that have recently been allowed in Applicant's co-pending matter (U.S. App. No. 10/209,797, U.S. Pub. No. 2003/0028213) which was previously submitted in an Information Disclosure Statement in this matter on August 5, 2004. Applicant directs the Examiner to this reference to consider whether the subject matter claimed, as well as the associated prosecution history, may be relevant to the patentability of the present application (e.g., for reasons of obviousness-type double patenting). Applicant believes that the Examiner has access to the application and associated file history through the Patent Office (e.g., the IFW system). Accordingly, Applicant has not provided a copy of this application or its associated file history, but would be happy to do so, now or in the future, should the Examiner so request.

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing of a Notice of Allowance. This Statement is accompanied by the
